Seashell

 The image shows two rectangular panels of a translucent material. The left panel is a deep, dark blue, and the right panel is a lighter, sky blue. Both panels are shown at a slight angle, revealing their thickness. In front of the dark blue panel, there is a large, light-colored seashell with a pinkish interior, a smaller spiral seashell, and a small white starfish. The background is a plain, light-colored surface.	Web #5 402/249 Blue <i>“Water”</i> MAX DIM. 88x126
 The image shows two rectangular panels of a translucent material. The left panel is a dark, charcoal grey, and the right panel is a lighter, silver-grey. Both panels are shown at a slight angle, revealing their thickness. In front of the dark grey panel, there is a large, light-colored seashell with a pinkish interior, a smaller spiral seashell, and a small white starfish. The background is a plain, light-colored surface.	Web #6 402/249LI <i>“Shimmer”</i> MAX DIM. 88x126
